

**BOONDALL FUNCTIONS
FLOORPLANS**

When it comes to private events, you won't find another venue like it in Queensland! Whatever your occasion, we have the space to make it truly special.

The Iceworld™ Boondall function area is on the mezzanine level overlooking our Olympic-sized ice rink. Our large, flexible space can be hired as one open-plan space, including the licensed bar, or partition an area to suit your event.

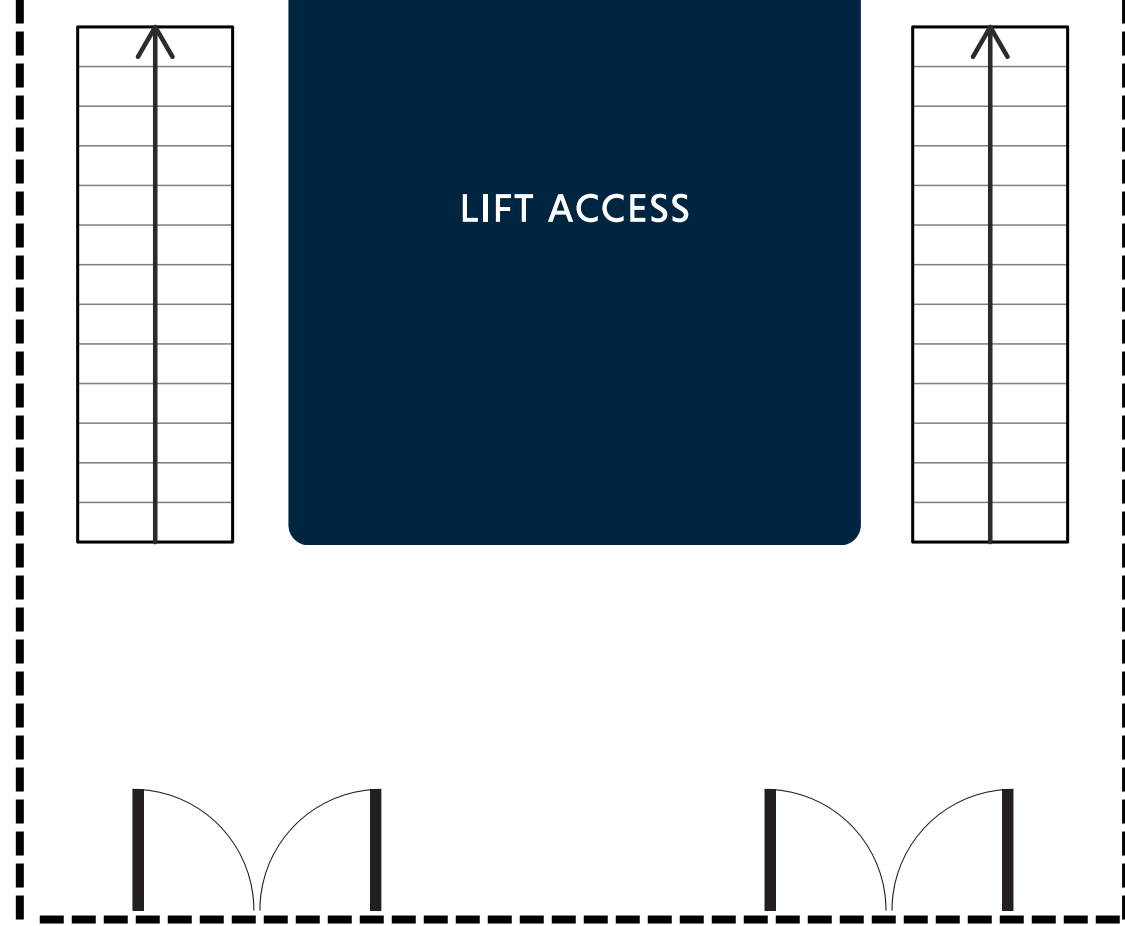

We can host up to 250 guests, accommodating a range of events including meetings, workshops, seminars, parties and presentation events. With our venue open 360 days of the year, morning, noon and night, we're certain that we can host your next event.

We also have several ways to support your audio visual needs at no extra cost.
