Dear Lisa

I wish to submit my nomination for the Council Member (1-year term) position for ISQ.

I am currently a competitive figure skater for both singles and pairs (Adult Silver), and a previous competitive synchronised skater (Solstice), at Boondall Ice Rink, Brisbane.

I have over 20 years of skating experience, having been a competitive skater as a child, and returning to the sport as an adult over 10 years ago.

Professionally, I am currently a non-executive Director at both the Noosa Biosphere Reserve Foundation and the Blackall RangeCare Group (aged care provider). I also serve on the Marketing and Communications Committee; Finance and Audit Committee; and Governance Committee. I am a member of the Boondall Synchronised Ice Skating Club's Fundraising Committee, representing Solstice.

I have a background in politics, governance and public policy; have a degree in resource and environmental management and am a graduate of the Australian Institute of Company Directors.

With my extensive experience in ice skating and my background in governance, I believe I would be an asset to ISQ.
